WARWICK, VA

FOREWORD

To the students, friends, and faculty who have been interested in us and have helped when the going got tough, we, the staff of the 1956 *Warwick*, present a glimpse into this year at Warwick High School. We have tried to capture the work, the efforts, and the joy which come with each job successfully accomplished. As you look at the pictures and read our book, if you grasp the feeling of our life here at Warwick, our efforts will not go unrewarded.

THE 1956 WARWICK

Published for the Student Body
by the Annual Staff of
WARWICK HIGH SCHOOL
Warwick, Virginia

DEDICATION

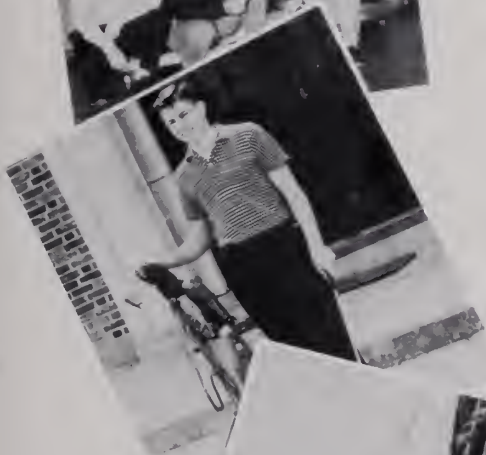

Although the students here at Warwick are divided in many respects, there is one activity where they find a meeting of minds — athletics — whether through direct participation or watching from the side lines.

A man wise in the ways of athletic achievement came to us, looked the situation over, saw a challenge and accepted it. The resulting impact

of this man's coaching ability has helped in leading our teams to victory. In these years he has brought State recognition to our school.

Yes, we are a part of all that we have met, and for his part in giving students of Warwick High School something to remember upon reaching alumni status, the Warwick Staff, with pleasure, dedicates "*The 1956 Warwick*" to Mr. Romie Hamilton.

ADMINISTRATION

MR. T. RYLAND SANFORD

Mr. T. Ryland Sanford, Superintendent of the Warwick City Schools, holds one of the most important posts in the community. It is one necessitating foresight and knowledge, for the success of tomorrow rests largely on the students of today. The programs and ac-

tivities of the School are greatly determined and influenced by Mr. Sanford. To him we owe our greatly expanded school, and it is through him that the students of Warwick are receiving a better education than ever before.

MRS. MARGARET WINDER

Mrs. Margaret Winder, Director of Instruction in Warwick City, helps both the students and faculty of Warwick High School. She makes the teachers problems her problems, for it is her job to help the teachers by observing the classes and advising courses of procedure.

MISS MARION SATTERWHITE

Our Director of Art Education, Miss Satterwhite, helps teachers to plan art projects in their classes which will correspond with their subject matter. Another of her important jobs is to arrange exhibits of the students art work.

MR. GEORGE W. COX, JR.
Principal

MR. CLARENCE A. DAVIS
Assistant Principal

MR. MALCOM P. McCONNELL
Assistant Principal

There are many jobs here at Warwick that could not be kept running smoothly without the leadership of our principal, Mr. Cox and our assistant principals, Mr. Davis and Mr. McConnell.

A student wants his schedule changed; another has been dispatched by his teacher, after a dispute, to a higher authority; one wants to leave school; and still another loses the key to his locker or forgets his combination. Who answers these calls? Our principal and assistant principals, of course.

These are just a few of the many jobs they do. We think they are doing their duties well — and beyond the call of duty. To these men we say "Thank you."

OFFICE STAFF

Left to Right: Mrs. John Crews, Mrs. Paul Harkins, Miss Margaret Thomas, Miss Audrey Davis, Mrs. Thomas Bales.

The office assistants are under the supervision of Miss Margaret Thomas, secretary to Mr. Cox. They are kept very busy mimeographing, typing, delivering messages, taking telephone calls and filing. These are only a few of the many jobs which they perform so efficiently.

MISS MARGARET THOMAS
Secretary to Mr. Cox

GUIDANCE COUNSELORS

Left to Right: Mrs. Mapp, Miss Atkinson, Mrs. Andrews, Mrs. Geddy.

The guidance department, under the direction of Mrs. Sara Geddy, has shown tremendous growth in the past few years. She is ably assisted by Mrs. Itasca Mapp, Mrs. Lalla Andrews and Miss Jean Atkinson. Their duties are many and

varied, but included are personal interviews with students concerning their problems, directing the testing program, and arranging for College and Career Days.

WARWICK HIGH SCHOOL P.T.A.

First Row-Left to Right: Mrs. G. Ferguson, Mrs. N. C. Rancorn, Mrs. J. R. Fisher, Harry Nottebart. Second Row-Left to Right: Donald Rhinesmith, Mrs. C. E. Blaydon, Mrs. R. B.

Wright. Third Row-Left to Right: Mrs. Andrew Lee Roberts, Mrs. W. W. Olney, Mrs. W. A. Spain, Mrs. W. Rilee, Mr. George W. Cox.

The Warwick High School Parent-Teachers Association brings to a close what they feel to be a very successful year. The total membership reached a new high with over a thousand parents and teachers joining.

Of special interest to the student body was the cooperative work of the ways and means committee in operating the concession stands; they did a fine job and the profits were used in part to give two scholarships of \$150.00 each. These scholarships are awarded to either boys or girls that plan to follow educational work.

A new project this year was the eye test clinic, held in conjunction with the Warwick Lions Club. The Lions Club furnished the testing equip-

ment and the PTA carried out the tests; over 500 children were examined and the results indicated a definite need for the continuation of the clinic.

The annual picnic given to the first class having 100 per cent of the parents to join the PTA was held again this year and the race was close; several classes having made the 100 per cent rating but, of course, the first one to report was the winner.

As always, working with the student body was a real pleasure, particularly in taking part in the social activities where we could be of service in furnishing the chaperones for dances and recreation nights.

ENGLISH

The objective of the English Department is to provide activities and experiences that will enable the student to achieve the greatest possible measure of success in the areas of effective speaking, comprehensive and appreciative read-

ing, effective and intelligible writing, intelligent listening and clear thinking. The department attempts to correlate its work on all grade levels in order to give all students a balanced program in these areas.

The eighth grade stresses fundamentals of grammar, both written and spoken, while sophomores enjoy "Julius Caesar" and "Silas Marner". Interested tenth graders may also sign up for Journalism.

Miss Carolyn Hurdle

Mrs. William W. Clark

DEPARTMENT

Mrs. G. Warren Taylor
Miss Barbara Crist
Mrs. M. H. Eubank

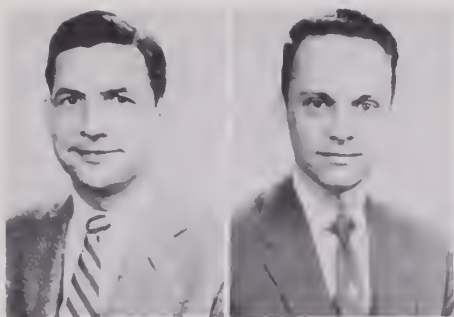

Departmental meetings, dealing with topics of interest, are held each month. This year such topics as homework, materials, activities, and speech work were discussed. Dr. Richard Meade

of the University of Virginia faculty was guest speaker at one meeting, while another was highlighted by students from all grade levels presenting their varied types of creative work.

All classes enjoy activities. Students participate in speech making, drawings, miniature reproductions from classics, and the use of the tape recorder and record machines.

C. T. Wainman

SOCIAL

Miss Jean Atkinson
Mrs. John A. Pully
Mrs. Robert Page

The Social Studies Department has previewed films for the purpose of purchasing them. The Department has also tried to improve itself professionally by studying the following methods:

The annual Senior Class Government trip to Washington D. C. was most successful.

Next year more emphasis will be placed on Virginia History, and the Department has attempted to coordinate the subject matter on every level.

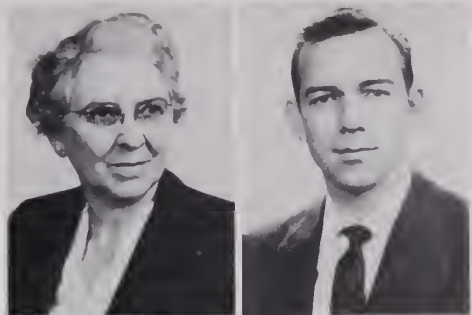

Through the recommendations of this Department, many fine books and records have been added to the library.

Projects and research enable the students to better their understanding of the history and government of our country.

SCIENCE

It is the general aim of the Science Department to offer scientific background to those pupils entering college as well as every day life.

The department is composed of a staff of ten teachers and offers the following subjects: Science 8, Science 9, Biology, Chemistry, and Physics. Each of these subjects is composed of many varied topics and attempts are made to stimulate pupil interest.

Science consists of not only making observation in the classroom, but also doing research in the library.

MATH DEPARTMENT

Working at the board and making explanations to the class help students to understand the fundamentals of mathematics

*Best wishes always
Larri*

When doing work at their seats, students get individual help from the teachers.

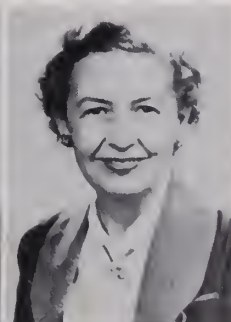

The Mathematics Department of Warwick High School attempts to fulfill two distinctly different requirements of the individual students. For the student who intends to enter business or industry, the math department provides a program composed of one year of General Mathematics, and for those who elect it Consumer Mathematics. For the student who is preparing himself for college the department offers two years of algebra, one year of Plane Geometry and a year of Solid Geometry and Trigonometry.

The general purpose in both programs is to try to help the student to learn and understand the basic mathematic skills that he will need after he has left Warwick High School.

Miss Ellen Chapman

BUSINESS DEPARTMENT

Why Take Business Courses? Why, to get a good position upon graduation from high school! Business courses help prepare the student for quick adjustment to the realities of a working life by acquiring skills in typewriting, shorthand, bookkeeping, and office machines. The high school student who has had training in good work habits, proper attitudes, personality development, and an opportunity for work experience is better prepared for a place in the business world.

After completing the introductory course, General Business, students have an opportunity to type, file, keep books, and operate the various office machines.

The Foreign Language Department offers two years of study in Latin, Spanish, and French. It is the purpose of instruction to develop skill in the use of the language itself, and to broaden the students' scope of understanding of the respective countries through study of their history and contributions to world culture.

Miss Waverly Hundley

Mrs. Shelby Curtis

Miss Carolyn Pulley

Miss Fay S. Greenland

FOREIGN LANGUAGES

Foreign language clubs, projects and slides promote further interest among the students who take French, Spanish and Latin.

Mrs. Carol F. Roso

Mrs. W. Delgar Gibson

HOME ECONOMICS

F. H. A. OFFICERS

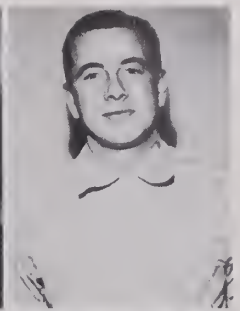

In the four years of homemaking, we concentrate upon the problems of planning and preparation of food, clothing, personal attractiveness, home care and improvement, and harmonious family living. First and second year we concentrate upon problems of the girl and her family, and third and fourth years, the problems she will face as she establishes a home of her own.

Girls in Home Economics Classes cook their own food, make their own clothes, and act as hostess or guest as meals are served.

The Industrial Arts courses are offered for three years. Each course is a prerequisite for the following course.

The department is based on the General Shop principle and consists of the following areas of laboratory work: Mechanical Drawing, Woodworking, Printing, Art Metal, Leather, Electricity, and a limited amount of Plastics.

Edward Thomas

Marion T. Wood

Thomas Dunlap

INDUSTRIAL ARTS

Industrial arts teaches a boy to work with his hands. He is given an opportunity to work at the drawing board, to use the different types of sanders and to operate a wood lathe.

Barclay Sheaks

The purpose of our art department is to promote, aesthetic beauty and creative self expression in the individual and the school. To achieve this we feel that each student should work with and understand the various qualities of art media and materials, and with this, know the fundamentals of good design. Our program includes a place for those who can take only one year and will use art primarily as an avocation, as well as a three year program for those more interested in specializing or making art their vocation.

ART DEPARTMENT

Art students learn to express themselves through sketching and painting as well as craft work such as weaving and pottery making.

Warwick High School Music Department offers every student the opportunity to learn, understand and have an appreciation of music. At Warwick, active participation in musical events is a part of all Vocal or Instrumental music classes. Students perform as soloists, or in ensemble groups for school functions, concerts, radio, television, church functions, civic events and parades.

Mrs. Barclay Sheaks

Lyle Smith

MUSIC DEPARTMENT

Pupils taking music at Warwick make up the concert band, dance band,

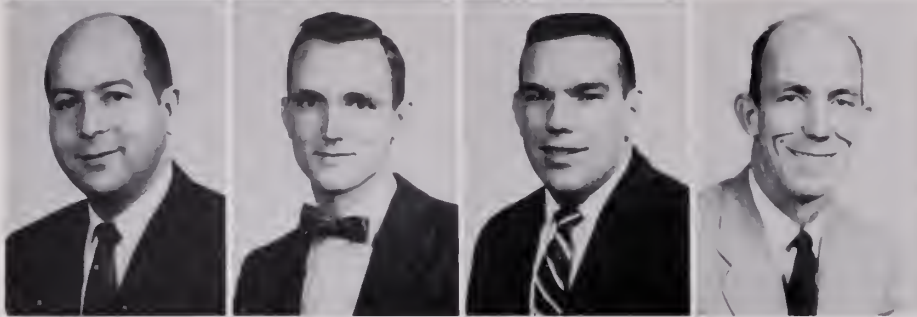

orchestra and the various choral groups.

Miss Patty Fardette
Miss Roena McJunkin
Miss Laura S. Mapp

James H. Locklear
Joseph S. Agee
Jim Haren
Romie Hamilton

PHYSICAL EDUCATION

Through physical education activities, boys and girls develop strength and endurance essential to meeting successfully the challenges of life. They develop flexibility, agility and coordination qualities that help students live healthful, safe, and efficient lives. Social and emotional qualities which contribute to mental health are developed through participation in the activities.

They learn to get along together, to share and to plan, to work toward a common goal, to appreciate their own rights and rights of others, and to lead skillfully and follow intelligently.

Formal exercises, as well as participation in basketball, volleyball, softball, and hockey, make up the physical education program

MRS. HARMON

MRS. TAYLOR

LIBRARIANS and ASSISTANTS

The library at Warwick High School is for the convenience of students and faculty alike, offering books for reference as well as pleasure. Under Mrs. Harmon and Mrs. Taylor, librarians, great gains have been made this year. The fine of two cents a day, charged for over-due books, helps pay for book replacements and library extras.

The library assistants are chosen from the applications of interested students. Their work, which ranges from filing and book arranging to typing and book binding, offers an excellent opportunity for learning the structure of a library.

Recommendations for new books or improvements are welcome from both students and faculty.

First Row (L. to R.) Lydia Smith, Lola White, Marcella Brown, Phyllis Cauble, Barbara Moore, Ann Hurt, Carol Presson, Carolyn Scoggins, Betty Flowers, Jeanette Flowers, Bobby Hollaway. *Second Row (L. to R.)* Mary Wood, Sue McDorman, Jean Godwin, Paula Garrett, Betty Thacker, Betty Trusler, Susan Moore,

SENIOR CLASS OFFICERS

Under the leadership of our class sponsors and class officers, we, the Senior Class, became an active group about the school and continued as in the years before to mold new friendships and seek additional knowledge. We returned to familiar surroundings and began to take hold of our new duties with determination; we began to uncover our ultimate goal, and hand in hand, we looked to the future with one thought in mind, "Ever forward with no regrets." To us falls a heritage of leadership which brings forth added work and outside interests. With several "graciously accepted" privileges, we "dignified seniors" of '56 passed the days and weeks together never forgetting our class colors of navy blue, columbia blue, and white and our flower, the white rose. At times, the experiences of each hour were eventful and are engraved in this Book of Me-

mory. To this end, *THE WARWICK* is dedicated, that through these pages, memories of our senior year at Warwick High School can be relived at intervals in the future.

The value of a diploma can never be told completely. It is a symbol of years of study, of making friends, of cooperation with others, and in short... a preparation to enter into the higher educational institutions and to fling open the doors to a greater and fuller life.

When that memorable day dawns, the day in which each must go his own way... each with new individual interests and convictions... there remains a feeling of fellowship down deep in the heart that will not soon be forgotten as we stand together to sing, "YOU'LL NEVER WALK ALONE."

JUNIOR CLASS

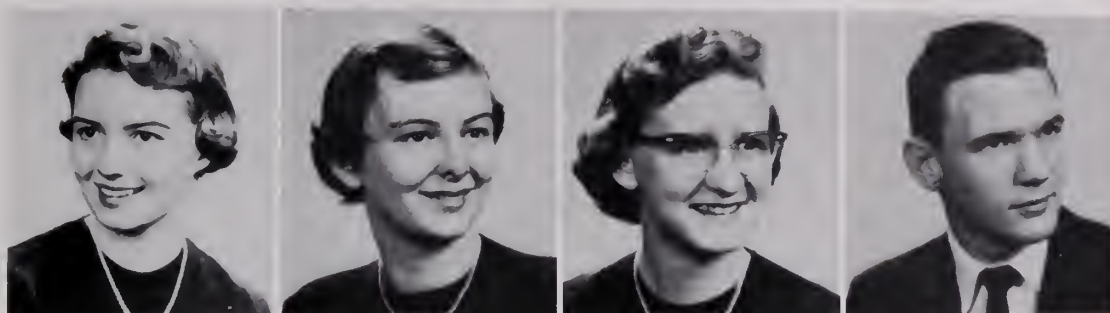

It seemed so different, being an upperclassman. Of course, your first years were a foundation for the rest of your high school life, but the feeling of being Juniors could not be described. Almost every member of our class was making history on committees, in sports, in the S. C. A. Congress, on the three staffs, on the homecoming court, in dramatic productions, the choirs, and the usher staff.

We started with numerous plans, high hopes, fantastic dreams. It seemed as if our plans were never to become a reality. But it happened. One bleak December day, our happiness was enough to light the halls of Warwick. We were finally ordering our rings. To some, this may not have seemed so spectacular, but the excitement was tremendous to us Juniors. Each stone, each cut, each shape had special significance for us.

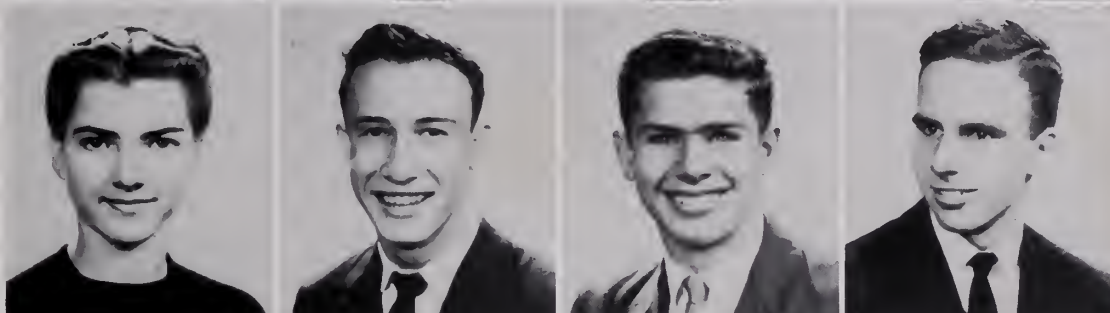

In the spring, we held our first class meeting. Then our plans, our hopes, our dreams did not seem so fantastic, because, as we looked forward to the best Junior-Senior Prom of all, we were assuming more and more efficiency. The endless hours of work, the weeks of worry, the months of plans could not be compared to the most memorable night of all — the night when teachers forgot school, parents forgot age, and we forgot the past and the future.

Our year as Juniors passed all too quickly; but then we were waiting for the morrow to fill an endless vacancy. What we have learned in education and humanity will remain with us forever. With our loyal friends, our teachers and Junior Sponsors, with such understanding; how can we ever fail.

SOPHOMORE CLASS

Miss Nelson's tenth grade finds "David Copperfield" fascinating

This year when we re-entered Warwick High it was hard to believe we were really sophomores. However, it became a reality as we started playing a larger part in school activities.

The Sophomore Class contributed several boys to the Junior Varsity and Varsity sports, and five of our prettiest and peppiest girls to the two cheering squads.

We went at the magazine sales with more enthusiasm than ever before. Some of us even won wonderful prizes for our efforts.

A difference was noticed in the scholastic side of our school life. While some of us dug into Algebra 10 and biology, others wracked their brains over foreign languages. Our teachers seemed to notice that we had grown up over the summer and allowed us more freedom.

We found ourselves taking part in assemblies and school plays and contributing worthwhile ideas to the committees on which we served.

Yes, our sophomore year has been something we shall always remember; and we only hope our Junior year will bring as much fun and satisfaction.

FRESHMAN CLASS

Gym classes are especially enjoyed by the younger boys

As 1955 Freshmen, we looked forward to traveling up Warwick High way.

We have met many obstacles on our journey such as Latin translations, algebra problems, and science tests; but we overcame them by hard work and perseverance.

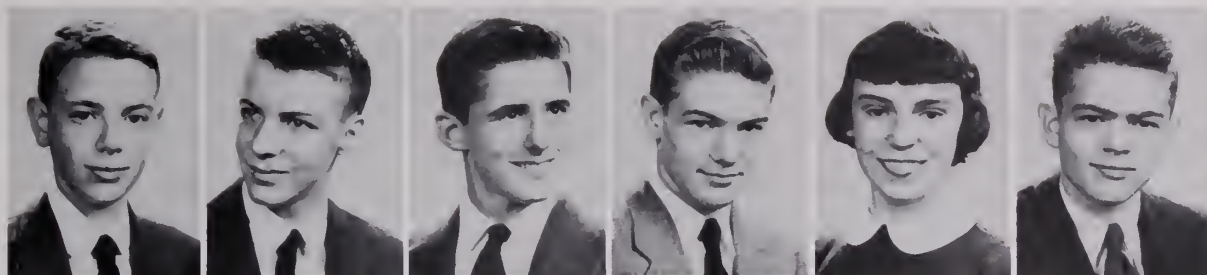

Traveling has been fun. Our 9th grade chorus entertained us in an assembly; many boys of our number were on the 8th and 9th and J. V. teams with three of our girls cheering them on to victory.

We also had new experiences participating in the various clubs and committees.

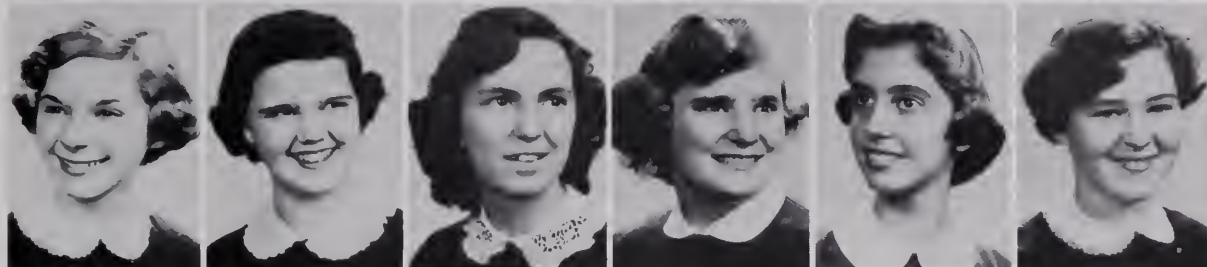

Three Freshmen won honors in other fields: two as an actor and an actress in "The Little Dog Laughed" and one as an outstanding magazine salesman.

This year the journey has been filled with work and fun, but each day we realize more and more what a privilege it has been.

FRESHMEN

1. Time out for Mr. Hemingway.
2. A star is born at annual concert.
3. Mr. Battram's Senior homeroom decorates for Christmas.
4. Projects make History interesting.
5. A visitor from Mexico.
6. Shop prepares boys for future.
7. A literary tea is something new in English class.
8. New students check in with Miss Thomas.
9. Back to the year of 1619.
10. Mr. Thomas speaks at banquet.
11. Practice makes perfect for Bobby Bryant.
12. Juniors compare new rings.
13. Study Hall students take time-out for a pose.
14. Miss Blanks gives homework assignment.
15. Students consult with Mrs. Andrews for guidance.

Left to Right. Gay House Secretary-Treasurer: Jimmy Brittingham, President; Karen Nelson Vice President.

Refrigerators are a necessary part of our fine Home Economics Department.

EIGHTH GRADE

Upon our arrival at Warwick High, we were quite bewildered, awed, and frightened by all the people and the huge school. Not being able to recognize our classmates with so much lipstick caked on, everyone seemed like a stranger. No one, it seemed could find the right class at the right time. However, having straightened out our schedules, we finally settled down to the normal routine at Warwick High.

We participated in varied activities. Three of our girls were J. V. cheerleaders and many of our boys were on the 8th and 9th grade teams as well as the J. V. team. As committee members, we helped plan the dances and the recreation nights. One of our girls made a very pretty homecoming attendant.

We all have enjoyed our first year at Warwick, and are looking forward to becoming Freshmen next year.

ACTIVITIES

S.C.A. President
BILLY COLE

THE S.C.A.

The Student Co-operative Association of 1955-56 has had a very successful year. At the beginning of the term, it set up various goals and projects to accomplish and strived throughout the year to perform these. The Activity Tickets sale showed over the previous years, and the S.C.A., along with the Honor Council, worked hard to promote a code and sense of honor among the students.

The S. C. A. social functions hit a new high, with the participation in the recreation nights and dances being the largest ever. The magazine sales were a big success this year also. The school received more from them than it ever has before, and because of this, was able to function efficiently.

As always, the S. C. A. committees did a grand job. The Pep Committee kept the student body well informed about all of the athletic events, and it is certain that the eighth graders appreciated the help given to them by the Orientation Committee. Many new committees were formed to take care of the ever growing student body and school interests. A few of these were concerned with publicity and S. C. A. bulletin boards were put up to let the students know what the S. C. A. was doing at all times.

Being the most important organization in Warwick, the S.C.A. hopes it has carried out the wishes of its students and represented them properly in the past year. It has worked hard to better the school and feels that it has; but without the co-operation of the students, this end would never have been accomplished. As it is, the S. C. A. can really think back with pride to its year's work.

EXECUTIVE COUNCIL

First Row: Harry Nottebart, 1st Vice President; Bill Baker, Parliamentarian; Donald Rhinesmith, 2nd Vice President; Nancy Lanier, Secretary; Billy Cole, President; Janette McWilliams, Reporter; Doug Millar, Treasurer. *Second Row:*

PENINSULA FLORIST ASSOCIATION

One of the duties of the Ushers is to lead the Seniors at Graduation.

One of the busiest groups at Warwick is the Ushers

USHERS

The ushers of Warwick High School are a familiar sight to the students and faculty. Each spring this group of sixteen students is chosen by a committee of S.C.A. members from a long list of applicants. The scholastic records of the aspirants are considered, as are their traits of dependability, poise and leadership.

Besides the all important duty of ushering at assemblies, these hardworking individuals usher

at plays and concerts, guide new students to classes, direct traffic in the halls between classes, and usher at the graduation exercises.

Ushering is a time consuming job, for not only do duties require attention, but meetings must be attended and plans made.

These students are to be commended for the job they have done this year. It is hoped that the duty of usher will remain an honor.

First Row, left to right: Becky Brinkley, Nancy Mapp, Mary Jane Stevens, Emily Abbitt, Bettianne Liebler, Bonnie Cox, Donna DeStefano, Helen Wentz. Second Row, left to right:

WARWICK ANNUAL STAFF

Betty Bullock, Business Manager; Lynne Shankland, Editor; and Miss Whitehurst, sponsor; talk over idea's for the '56 "Warwick."

Sue Perdue looks on while Sylvia White types copy for the '56 "Warwick."

Front Row, left to right: Sylvia White, Betty Bullock, Lynne Shankland, Betty Lee Townsend, Pat Lee. Back Row: Miss Whitehurst, Helen McArthur, Sue Perdue, Faye Brinkley, Dee Selby, Jerry Ray

Right: Dee Selby and Lynne Shankland look through the dummy, an important part of every yearbook.

THE WARWICK STAFF

Looking over past annuals Lynne Shankland, editor, and Betty Bullock, business manager, tried to glean a few ideas and to create many of their own.

Lynne, as green as the rest of us, proved her executive ability. She gave assignments left and right and then pounded the streets along with all of us selling ads. The publication of the "Warwick" was her goal for 1956.

The staff of "The Warwick" worked under the guidance and direction of Miss Frances Whitehurst. She worked faithfully, cheering us on when we sometimes came to a temporary discouragement, and applauding us on when we accomplished some task.

A group, lacking experience but overflowing with confidence, met Miss Whitehurst's eye on that first September afternoon. At this time we had many grand and glorious ideas which would make our annual the best in the history of the school.

Higher than our grand ideas was the expense. To have a budget at all, we needed money. The money, we found, was not going to be given to us. We had to get subscriptions from students and sell ads. Following the ads, there seemed to be a conglomeration of ad slips, letters to advertisers, checks, cuts and the actual drawings of the ads.

Then a master picture schedule of the students in Warwick High School was made, and the photographer began taking shots. Room 203 from this time on, was filled with pictures, drawings, dummy sheets, and filled copy paper. By the end of February, our half-way deadline, some of us began to feel a little dead ourselves.

Was it worth it? We think so, and hope our readers find their expectations fulfilled in the "Warwick" of 1956.

Pat Lee sorts pictures for the '56 "Warwick," while Jerry Ray makes sketches for drawings to be used.

Betty Townsend and Helen McArthur figure up how much money the staff has received from ads

Faye Brinkley and Betty Bullock go over the "Warwick's" financial problems.

Front Row, left to right: Janet Wainwright, Suzanne Sault, Brownie Marshall, Jane Garrett, Donna DeStefano, Trilby Barnes. Second Row, left to right: Roberta

Massie, Betty McLean, Mary Jane Stevens, Carol Wise, Kathy Hiser, Mrs. Andrew Lee Roberts, Susan Abernathy, Doug Hiza

EARLE STAFF

Due to a hectic schedule, long afternoons after school, and plain hard work, the students are now able to get "The Earle" every ten days or less instead of the previous "every-three weeks" schedule.

This year several new columns, which we hope are enjoyed by our fellow Farmers, have been added.

Each of the thirteen members of the staff is a graduate of Mrs. Roberts' first period Journalism class and is assigned a story, a column, or a feature article for each issue.

Since our junior "Walter Winchells" are not infallible, they sometimes unintentionally overlook a news item. It's up to your reporters to see that your class news is in the paper.

As for the mechanics of the paper, the headlines and the ads are taken care of by the headline editor, her assistants, and the advertising editor and her assistants. The art editors are responsible for cartoons and any illustrations contained in the ads.

Mrs. Roberts confers with Donna and Kathy about an article for the "Earle".

A Cappella Chorus Officers: Jeanette McWilliams, Joyce Ann Moore, Robert Mahanes, Linda Rierson.

Another year has slipped by and we, the members of the A Cappella Choir, will hold these memories dear to our hearts. We have loved participating in the different programs and pleasing our fellow classmates.

We shall always remember our annual Spring and Fall Concerts when we were bedecked in our finest and loveliest. We shall remember our Christmas Pageant, "The Thief In the Manger," which was written by Mr. Barclay Sheaks. We shall keep in our hearts the memory of the "Lucky Valentine Hit Parade," and the production of "Babes In Toyland."

Many of us will be leaving this year, but we will leave with all these memories and the friends that we have made. Those who remain will continue with the work of the Choir, under the direction of Mrs. Barclay Sheaks, who has worked very hard to provide good music and entertainment for the school. It is to Mrs. Sheaks that we give our vote of "thanks."

WARWICK PLAYHOUSE

Plays give pupils a chance to work with makeup. There are also various other committees in which one may participate.

During 1955-56 The Warwick Playhouse had a successful year. This year we had the privilege of having Mrs. Eubanks as our new sponsor.

The first play was our fall three-act production "*The Little Dog Laughed*," our spring production was "*The Little Minister*." Between the big productions we had various one-act plays. The try outs for the plays had a great number of students who had never attempted in the field of drama. The Warwick Playhouse hopes to have given their help to interest new faces in dramatics.

Little Minister cast.

Stanley, Walter Haywood, James Drewery, Robert Horton, David Stokes, Robert Marriot, Martin Givens. *Fourth Row, left to right:* Jimmy Miles, Donald Wiggins, Billy Keith, Duncan Ashe, Tony Montgomery.

Left to Right: Coach Agee, Lieutenant Mary Ann Walker, Coach Locklear.

The bright new belts and badges and faces that you saw around our campus on parking lots, buses, and in the buildings were the members of our safety program at Warwick High School called Safety Patrol.

The patrols under the direction of Captain John Mercer and Lts. Larry Miles and Mary Ann Walker, directed and helped in loading and unloading of buses. They were stationed at strategic areas around the lots and buildings and supervised the direction of traffic. For each bus that entered or left the school grounds there were two patrols riding that bus, serving the students and driver of that bus.

Students who wish to serve the school in a very important capacity and wish to help the new faces get acquainted at Warwick High School should join the safety patrol. We have enjoyed our association and our meetings this year; and if we have prevented one casualty or helped one student to become better acquainted with our school—our cause has been served.

THE PLOUGH STAFF

First Row, left to right: Sandra Snyder, Sandra Hobbs, Harriet Taylor, Sally Sue Huffman. Second row, left to right: Neal McKinney, Hayes Brooks, Diane Rawles.

In mid-May, the second issue of *The Plough* rolled off the press. This newest addition to Warwick's publications saw in its second year marked progress both in material submitted and student interest. Under the direction of Miss Peggy Worthington, the staff, made up of 11 girls, did all of its work outside of regular school time. Carolyn Jones, editor, was ably assisted by Sandra Hobbs, Sandra Snyder, Neal McKinney, Harriet Taylor, Evelyn Dyke, Hayes Brooks, Diane

Rawles, Sally Sue Huffman, Martha Anne Ward, and Lee Anne Parkman.

Sandra Hobbs attended the S.I.P.A. Convention, where *The Plough*, as a novice, received an Achievement Award. Next year the goal set by the staff is the publication of two issues, which will promote more opportunity for the literary work of the student body to be seen and appreciated by everyone.

SPORTS

VARSITY CHEERLEADERS

Co-captains Nancy Lanier and Amy McFall.

"Are you proud of your school?"

"Well, yea man!" Our nine enthusiastic cheerleaders shouted endlessly throughout the year. Their pep and original ideas made the strong school spirit unbeatable. Varying the maroon and white uniforms with their gold letters, and the all-maroon ones, the girls added that extra bit of sparkle to every game.

Combining new ideas with the traditional ones, the Varsity cheerleaders offered the students a variety of entertainment in the pep assemblies. "Crabnet" was a new theme tacked on the Hampton Crabbers.

Their never ending yelling really helped in keeping up the morale of the student body as well as the hard playing members of the teams. Without their presence, the games would have lacked color and organized yelling. They helped to lead a great student body in the support of the fine Warwick teams.

VARSITY

Co-Captain Les Bunting

The football Farmers climaxed the most successful season in the school's history with a smashing 33-14 victory over Hopewell Thanksgiving morning. The win not only concluded the best season in Warwick's history but knocked Hopewell from the undefeated ranks and the State Championship, which was taken by Norview, one of the two teams to defeat Coach Milt Drewer's team in 10 games.

The Farmers lost the opener to John Marshall, come back to beat Highland Springs and Norfolk Catholic, lost to Norview (14-7) and finished up with a six-game victory streak that included George Washington of Danville, Newport News, Petersburg, Hampton, Maury and Hopewell as the victims.

Standout individuals, as far as All-Star honors were concerned, were Jock Wilkins, the giant 210-pound tackle, and co-captain Billy Cole, 155 pounds of sheer determination.

Wilkins was a unanimous choice for the All-Peninsula team of the Peninsula Sports Club and also made the All-Tidewater, All-Eastern District and All-State first teams. In addition, he was a first-team selection on the All-Virginia team chosen by the Virginia Sports Writers and Sports Casters Association and gained honorable mention for All-South.

BILL'S

7810 Virginia Avenue- Warwick, Virginia

Cole makes decisive gain as Warwick routs Hampton 20-0

FOOTBALL

Cole, termed by Coach Drewer as "the best defensive back in the state," was unanimous choice for All-Peninsula and made the All-Tidewater and All-Eastern District first teams. He was honorable mention All-State and received the Hampton Roads Junior Chamber of Commerce's trophy for "outstanding sportsmanship."

Four other Farmers were named to the All-Peninsula team, co-captain Les Bunting, end Don Thomas, guard Doug Millar and fullback Lowell Vaught.

While there were many great individual performances as the Farmers bettered the old school record of 7-2-1, established by the 1954 squad, the one to be longest remembered was Vaught's in the stunning Thanksgiving triumph over a Hopewell team that had rolled over nine straight opponents.

Vaught made 35 trips with the ball that bright, sunny morning in Hopewell and only once did the 6,000 fans on hand see him stopped short of the line of scrimmage. All told, he gained 242 yards on 32 carries for a 7.5 average, made 13 of Warwick's 20 first downs and bucked the middle three times for extra points.

The wins over Newport News and Hampton enabled Warwick to claim the Peninsula Championship for the second year in a row. Coach Drewer deserves a lot of applause as do his assistants, to whom he gives much credit for the team's success.

VARSITY BASKETBALL

The fine play of the entire squad, and the individual brilliance of Co-Captains Tommy Lanier and Butch Lambiotte will make the 1955-56 basketball season long remembered around here.

Coach Joe Agee's charges posted a 16-4 record during the regular season, by far the best of any Farmer team in history, and wound up with a 17-6 over-all mark and a fourth-place finish in the District Tournament.

Lambiotte, the ace 6-4 center, led the State's Group One scorers with a 22.6 average on 451 points in 20 games; made the All-Eastern District first team for the second successive year; was named to the All Group One first team; and received the Virginia Sports Writers and Sports Casters Association's trophy as the State's outstanding scholastic player.

In addition, the 17-year-old senior twice broke the school scoring record of 31 points set by Jerry Vaughan during the 1952-53 season.

Lambiotte scored 32 against Cradock in the fifth game and later made the Admirals the victims of his second record-shattering performance, scoring 35 in the season's 15th game.

Lanier, a great playmaker and set-shot artist, closed out one of the most glorious careers in Warwick history with three stellar performances in the District Tournament. He scored 56 points, including the tourney high of 26 in the opener against Maury, to run his season's average for 22 games to 14.5.

The 5-10 160-pound senior guard is the only player in the school's history to play first string for four seasons. In 1954-55, he was a solid choice on the All-Eastern District first team. The past season, he slipped to the second team but turned in his greatest individual performance when he scored 30 points against Oscar Smith of South Norfolk in the 18th game.

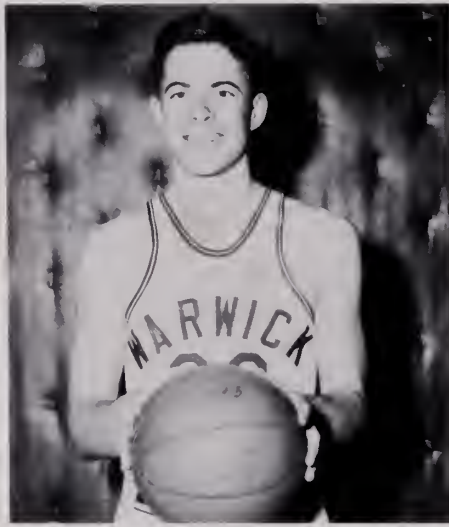

First Row, left to right: Thomas Hassell-Manager, Bobby Irby, R. W. Davis, Tommy Lanier, Dick Petty, Hamilton Newton. Second Row, left to right: Coach Agee, Bobby Al-

len, David Ladd, Butch Lambiotte, Norman Snead, Brady Surles, Charles Webber-Manager.

HAMILTON NEWTON

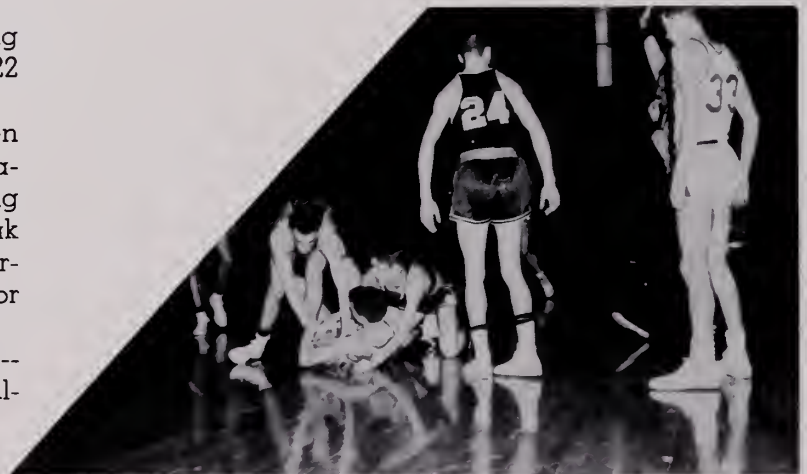

BRADY SURLS

Lanier led the Peninsula in foul-shooting accuracy with 75.4 per cent, sinking 92 of 122 during the season.

The team suffered a severe blow when David Ladd became ill shortly after mid-season and missed the last nine games, including the District Tournament. Another tough break was the ankle injury that benched Brady Surles, starting forward after Ladd was lost, for the final two games of the District meet.

Five players will return next season--Norman Snead, Hamilton Newton, Bobby Allen, Bobby Irby and Phillip Webb.

Ladd battles with Breeden and McDowell of Newport News for the ball.

Coach Joe Agee with captains, Tommy Lanier and "Butch" Lambiotte.

David Ladd is poised for a set shot during the Suffolk game.

WRESTLING

First Row, Left to Right: Coach Haren, Joe Flynn, Jimmy McCarron, Frank Roundy, Frank Pultz, Eddie Pultz, Ronnie Cutler, Roy Trousdell, Wayne Spencer. Second Row, Left to Right: Freddie Reese, Richard Young, John Crews, Randolph Trousdell, Lester Hudgins, Roger Anderson, Ronald

Sandige, Paul Shaver, Coach Hamilton. Third Row, Left to Right: Lowell Vaught, Donald Marks, Gary Franklen, Gene Jordan, Reed Humphries, Jack White, Steve Bower, Jerry Davis, Cabell Higginbotham, Curtis Fooks. Absent: Jim Shorter, Manager Billy Hopkins, Lee Blake, Robert Dickinson.

Kneeling: Co-Captains Johnny Crews; Randolph Trousdell. Standing: Coach Haren; Coach Hamilton.

Coach Romie Hamilton's wrestlers became the first athletic team in Warwick history to go through a regular season undefeated, when they bested 11 foes with only two, Norview and Granby, giving them any trouble. The Farmers were second in the State Tournament, winding up with 78 points. Granby won the title with 119.

Four Warwick matmen, Trousdell, Crews, Pultz, and Vaught, posted 11-0 records during the regular season and two others, Charles and Cutler, were unbeaten.

The Farmers opened the season with three easy victories, defeating Virginia Beach (44-7), Beaumont Industrial (47-3) and Woodrow Wilson (50-6), before encountering more formidable opposition in Maury (38-18), William Fleming (39-15) and Jefferson Senior (43-15).

After scoring a hard-to-believe shutout (54-0) over Oscar Smith of South Norfolk, Coach Hamilton's charges were hard-pressed to beat Norview (28-22) and Granby (25-21). They ended the season impressively by routing Virginia School for the Deaf and Blind (44-6) and Princess Anne (43-13).

VARSITY BASEBALL

First Row, Left to Right: Val Hopkins, Hamilton Newton, Sammy Haycraft, Joe Hudgins, Nelson Lester, Jack Dabney, Manager. *Second Row, Left to Right:* Billy Black, Wayne Register, Curt Edwards, Mike Jurseaga, Leslie Bunting, Lo-

renzo Woolard, Manager, Wayne Morgan. Third Row, Left to Right: Mr Haren, Doug Callahan, Jim Kellem, Mopey Ferree, Bobby Irby, Norman Snead, Mr. Locklear.

Warwick's baseball team captured the Peninsula Championship and came within two innings of repeating for Eastern District Honors after starting off the 1956 season with eight consecutive victories to finish with an impressive record of 13 wins and two losses. The Free Staters' only losses came in District play to Oscar Smith and Hampton, the '56 titlists.

In taking the Peninsula crown, Warwick defeated Newport News and split with Hampton.

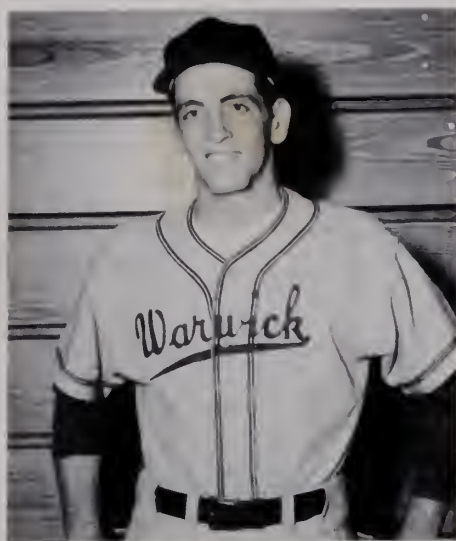

The Farmers, last year's Co-Champions of the Eastern District, were leading Hampton 2-1 going into the top of the eighth inning near the season's end when Hampton came up with a five-run rally to win out, 6-5, despite Warwick's three-run uprising in its half of the eighth.

There were many outstanding players for Warwick in the '56 campaign both in pitching

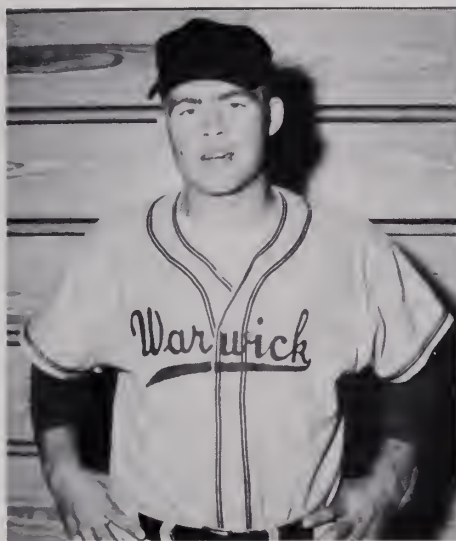

and hitting.

Norman Snead appeared in six games on the hill to win four without a defeat, and Curt Edwards hung up a 5-1 hurling mark as the mainstays on the mound. The hitting was paced by catcher Jack Dabney with a .385 mark, while Les Bunting, who led the Peninsula batting race through part of the season, placed second with a respectable .365. Bobby Irby proved to be a jack-of-all trades for the Free Staters by appearing in all 15 games playing at shortstop, second base, first base and right field at various times during the year.

Summing up the season, Coach Locklear said, "Although we did not win the Championship, we feel we had a very successful season, realizing of course that baseball is the hardest of all sports in which to go undefeated."

John Register stretches a base hit into a double.

Bobby Allen finds himself in the middle of a "double play."

TRACK TEAM

Eddie Mears comes from behind to win the mile.

Ivy Bridges is left behind in the dash.

Our track team enjoyed its most successful season by finishing up near the top in big meets and being undefeated in five dual meets.

We initiated our new track with victories over Oscar Smith, Woodrow Wilson, Norview and Hampton. Then we went to Newport News to triumph 59½ to 53½ for our first victory over our arch rivals. This thrilling meet was climaxed by a record breaking victory in the pole vault and a close win in the relay.

Coach Milt Drewer's boys enjoyed a banner

year record wise with a 15.7 seconds by Don Snead in the high hurdles; a mile by Eddie Mears in 4.42,2 minutes; and Bobby James ran the 440 yard dash in 52.8 seconds. Captain Ivey Bridgers did a 2.06,1 minute 880 yard run. Our relay team of Snead, Blankenship, Weeks, and James ran a 3.40,2 minutes for their record. Lowell Vaught won the Tidewater Shot Put with 52 feet 2½ inches, and Steve Bower became our only State Champion with a tremendous 11 feet 11¼ inches in the Pole Vault.

First Row, Left to Right: Lilleston, Manager; Deans, Anderson, Allen, Bridgers, Cole, Hancock, Fooks, Clough, Kenn, Phelps, Frank, Managers, Kreigler, Lawrence, Green. Second Row: Weber, Mears, Weeks, Spencer, Blankenship,

James, Royall, Pully, Bower, Hopkins, Hudgins, Charles, Assistant Coach Hamilton. Third Row: Shorter, Thomas, Vaught, Snead, Klich, Robertson, Wilkins, Wilson, Bradley.

GOLF AND TENNIS TEAMS

First Row, Left to Right: Ronnie Hyle, Morris Johnson, Gene Moss, Bruce Ferguson. Second Row, Left to right: Tommy Summerell, Richard Abbitt, Sidney Smith, Coach Formichelli.

The Warwick High School Golf Team was led by senior Tommy Lanier, the only returning letterman. The other regular golf members, who played for the first year, were senior Charles Webber, freshman Roy Hyle, sophomore Morris Johnson, and sophomore Sidney Smith. The Golf Team won 3 matches and lost six.

The Tennis Team under coach Grayson Williams had a fairly successful season this year. Linton Robeson and Doug Millar were undefeated in the doubles matches. Other members of the Team were Tommy Clarke, Asa Shield, Arthur Brittingham and Roland Pennell.

First Row: Arthur Brittingham, Linton Robson, Tommy Williams. Second Row: Coach Williams, Roland Pennell, Doug Miller, Tommy Clark.

Running out on field or court in traditional white and maroon uniforms, topped by bright cheerful smiles, this year's J.V. Cheerleaders led the school yells with a well organized squad.

While there were four veterans on the squad, there were also five new voices added. All of them learned something new, either by teaching or learning new cheers.

Backed by cheering crowds, these peppy gals like to think they had a part in making this year's J.V. athletic schedule one to be proud of.

J. V. FOOTBALL

Of the 51 boys reporting on September 8th for Jayvee football, only one was a returning letterman. However, the boys' hustle and desire to win was very evident from the beginning of the season. Under the tutelage of Coaches Locklear and Williams, and with Frank Roundy and Clarence Brickle as co-captains elect, the group entered into what was to be the best Jayvee season in the history of the school, compiling a 5-1-2 record.

It was a season marked by many highlights, one that featured linemen scoring as well as backs. Curtis Fooks, guard, turned a Newport News fumble into a 32 yard TD; Joe Blume, end, ran 75 yards for a TD against Hampton; and Bobby Charles, end, made two 60 yard touchdowns against Maury. The team scored 150 points against 70 for the opposition, the high scorer being Wayne Register, half-back, with 40 points.

The coaches feel that the boys learned the value of not quitting as shown in their ability to come from behind against Maury. Desire and determination gave the small boys of the Jayvee squad the necessary drive to win against heavier opposition all season; and with another year's growth some will no doubt be an asset to next year's varsity.

Co-captains Frank Roundy and Clarence Brickle.

J. V. BASKETBALL

The J. V. Basketball Team opened its official practice on Dec. 10, 1955 with approximately 150 boys on hand the first day. During the first ten days the squad was thinned out to 15 members. No one above the 10th grade was retained because it is felt that the younger boys will have longer to play and therefore help our varsity of the future to a greater extent.

Starting out inexperienced they lost their first 3 games; then they bounced back to hit a even streak of eight in a row. All in all the season was considered a successful one with 13 wins and 7 losses as the season's record. The J. V. team will lose several of its players to the varsity next year where they will have an opportunity to compete against some of the best teams in the state.

Team members practice shots before game time.

Front Row, left to right: Randy Herman, Monty Tucker, Donald Sneed, Morris Johnson, Jay Lambiotte, Larry Laughery
Back Row, left to right: Coach Williams, John Barnes, Curt

Wyatt Respass, Larry Laughery, Dick McDorman, John Corbitt. Third Row, Left to Right: Walter Saunders, John Morrisette, Frank Booth, Bill Smith, Harold Deese, Bob Wartham, Coach Agee.

J. V. BASEBALL

The junior varsity baseball team opened practice with some sixty-five boys reporting. The squad was cut to twenty boys and the club was off to another fine season. Due to the difficulty of getting games, our club had to be content to play six games, four of which we won against two losses.

The team elected two very fine co-captains, Charles Franzman and James Russell, both of which did a splendid job in guiding the club in a winning fashion. Our team was young and inexperienced, but they compensated for this with great effort and desire to learn.

The hitting of James Russell, Frank Booth, Charles Franzman, and the pitching of Billy Formichelli were the mainstays in the success of our team.

8TH AND 9TH GRADE FOOTBALL. Front Row, Left to Right: Coach Formichelli, Charles Rhodes, Jerry Hall, Jimmy Scherer, Jerry Franklin, Ronnie Cutler, Leon Wells, Robert Marriott, Bobby Norris, Jimmy Newton, Randell Vaught, Timmy Moore, Billy Taylor, Coach Agee. Second Row: Gene Jorden, Jimmy O'Brian, Harry Register, Don Jones, Dan Shrader, Harold

Deese, Wayne Hubbard, Mike Bahr, Billy McCarron, Billy Folsom, Jim Morgan. Third Row: Jimmy Brittingham, Buddy Roper, Lee Parker, Rudi Schuster, Warren Howard, Stamm Rauch, Everett Stanifer, Bill Brinkley, John Voltmer, Jimmy Miles, Bland Maynard, Conway Shield, Harold Davis.

8TH AND 9TH GRADE TEAMS

The 8th and 9th grade Football team had a successful season. The season record was two wins, three defeats, and one tie. We defeated Newport News twice and tied Buckroe Jr. High once. The defeats came from Wythe Jr. High twice and Buckroe once. Co-Captains of our team were Gene Jorden and Rudi Schuster.

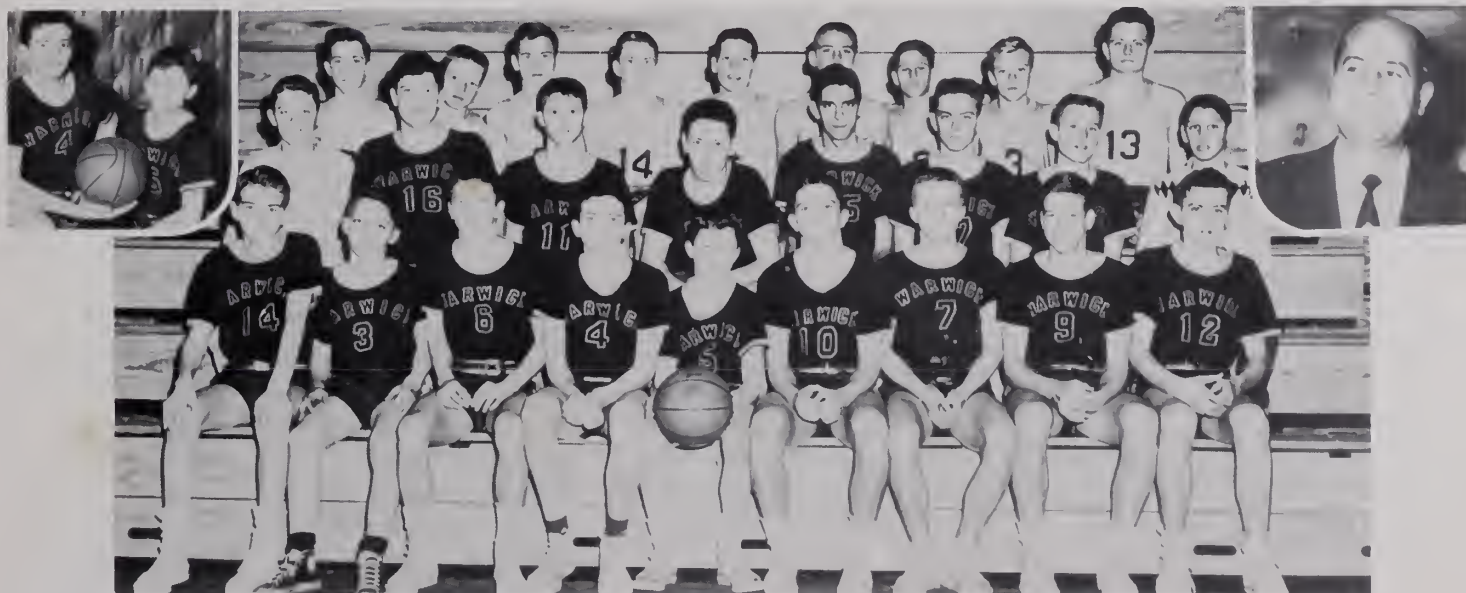

The 8th and 9th grade Basketball team, with Bill Gillespie and Neil Bleakly as Co-Captains, ended the season with a 3-11 record. This was an experimenting year from the standpoint of participation as every boy got to play. However, we feel that the boys gained valuable experience which will make them not only better athletes but also better citizens.

FEATURES

Thomas Leon Lanier, Jr., voted the "Most Popular" boy in the senior class, has been very active in all phases of school life here at Warwick. Tommy has taken an active and influential part in the SCA while serving as president of the junior and senior classes. As a member of the Key Club, while serving as an usher, and as chairman of the board of elections, he has always done a commendable job.

He has excelled in the field of athletics. As co-captain of the 1955-56 team, he completed his fourth year as an active member of the varsity basketball squad. He also lettered in golf each of the four years he was at Warwick.

Next year Tommy plans to matriculate at Dartmouth College where he will study business and engineering. With his pleasing personality, he will surely be as well liked and as much a success there as he has been here at Warwick.

A friendly smile and a winning personality characterize a girl quite deserving of Senior Leader. Mary Jeanette McWilliams, voted "Best All-Around" in the Senior Class, is one of the most popular girls here at Warwick.

Ever since she entered here, Jeanette has been an active part of life at Warwick. She has served her school as homeroom officer, class officer and S.C.A. Reporter.

The beautiful decorations at the Prom last year were in a great part due to Jeanette's work as co-chairman of the Prom decoration committee. She has also been a member of various other class and S.C.A. committees.

She was selected this year by the student body to the Homecoming Court. This year, too, Jeanette sang in the operetta and was a member of the A Cappella Choir. The Daughters of the American Revolution presented her with the Good Citizenship Award for her traits of dependability, service, leadership, and patriotism.

Westhampton is Jeanette's choice as a college. It is gaining a wonderful girl who is truly "Best All-Around."

William Moore Cole, President of the S.C.A., is probably the most well-known person at Warwick. He has performed his many duties in a tireless and efficient manner.

Billy was voted the "Best All-Around" boy in the Senior Class. This is a very true statement because he was active in nearly every phase of Warwick's life.

In the field of sports, Billy was co-captain of the football team, on which he played since his sophomore year. He also made a name for himself while on the track team.

In the scholastic field, Billy has played a very large part. He served as an usher and was also a member of the Key Club. His class elected him to be their president in his eighth grade, freshman, and sophomore years. In his junior year, Billy became 2nd Vice President of the S.C.A. This year he was elected to the office of President. While holding this office, Billy has made many improvements in our school.

Billy will attend Randolph Macon College where he hopes to enter the field of personnel work. We wish all the luck in the world to a fine boy and wonderful president.

Joyce Ann Moore is another deserving Senior Leader. She is easily recognized by her shining brown hair and sparkling brown eyes.

Joyce Ann has been quite active in life here at Warwick. She has served on various S.C.A. and class committees during her five year stay here, as well as serving as a homeroom officer.

This year she was elected "Most Likely to Succeed" in the Senior Class. This is a very fitting title because Joyce has made very successful her years here.

For the past three years, she has faithfully and skillfully performed her duties as piano accompanist for the A Cappella Choir. Every task which she has undertaken, Joyce has completed with enthusiasm.

Joyce plans to enter Mary Washington College in the fall. As she is very interested in music, she will probably enter some field of public music education. To her we say "Goodbye, and a job well done."

The Class of 1956 departs from Warwick High School, moving steadily "ever forward with no regrets"

IN MEMORIAM

MRS. R. THOMAS HOLLAND

Of all our many teachers here at Warwick, few were more loved or highly thought of than Mrs. Holland. She was an inspiration to all who knew her. We shall always remember her for her patience, her understanding, her joking, her teasing—everything that made up her charming personality. As our mathematics instructor, she had an unsurpassed ability for explaining even the most complex mathematical problem. Yet, we, the students, shall remember her more for what she meant to us as a friend rather than for her teaching abilities. Saddened deeply by her sudden death, our comfort comes in knowing by her example in the halls of our school that she was ready for the Master's call. We shall always cherish our memories of Mrs. Holland and reflect the good traits of her influence in our lives until we join her once again in the land of eternity.
